## ABOUT FAST CAT

Fast CAT is a timed straight race of 100 yards where the dog chases a lure. Dogs run individually earning points based on their handicapped speed. The handicap system is based on the height of the dog at its withers. There are no placements and titles are earned by accumulating points.

BCAT – 150 points, DCAT – 500 points, FCAT – 1000 points, FCAT# – every 500 points

Handicap – 18" or greater = 1.0, 12" up to 18" = 1.5, 12" or less = 2.0

Points = MPH (204.545/time) x handicap

## SITE INFORMATION

Battery-powered, continuous loop equipment will be used with lures consisting of white plastic bags. The length of run-out will be a minimum of 50 yards and up to 60 yards. The test surface is a flat, grass field with a parameter fence. The test track will be fenced with temporary fencing. An electronic system will be used with manual timing as a back-up.

**Only participants who are running their dog are allowed on the track. Shoes are required on event grounds. Children must be supervised by an adult at all times. Violators will be asked to leave and entries will not be refunded.**

## TIPS FOR HANDLERS

It is strongly recommended that prior to running your dog that you have a good “recall” as the dogs will be running off leash.

Handlers should wear comfortable shoes with good traction and should be physically able to hold and release their dog(s) as well as catch them.

Dogs are brought to the start line on leash and are released upon the verbal signal, “Tally Ho!”, from the Hunt Master. Dogs may be released by hand, folded leash, or using a traditional lure coursing slip lead.

Dogs may run with or without a collar. **Unacceptable collars are slip collar, prong collar, or electronic collar.** Tags hanging from collar should be removed or secured. Clips or rubber bands may be used to hold back dog’s hair.

The catcher is expected to promptly secure the dog in the catch area and leave the field with the dog on leash.

Coursing is a physically demanding sport and, for the safety of your dog, your dog should be in good fitness and soundness. If you are unsure, consult your veterinarian.

Handlers are advised to warm-up and cool-down their dog(s) by walking them for 10 minutes before/after their run.

Bring your own shade and water.

## NOTICE TO EXHIBITORS

### **ALL DOGS RUN AT OWNER’S SOLE RISK**

By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform the tests safely. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor or spectator whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made. The Mid-Continent Kennel Club of Tulsa and its officers, representatives, volunteers, the Trial Chairperson/Secretary, Trial Committee, and Trial site assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers or to any of their dogs or property and further assumes no responsibility for injury to children. The Mid-Continent Kennel Club of Tulsa reserves the right to decline entries for cause and may remove any dog on account of aggression. A \$5.00 fine will be assessed for any loose dog on the field that is not competing in the course in progress.

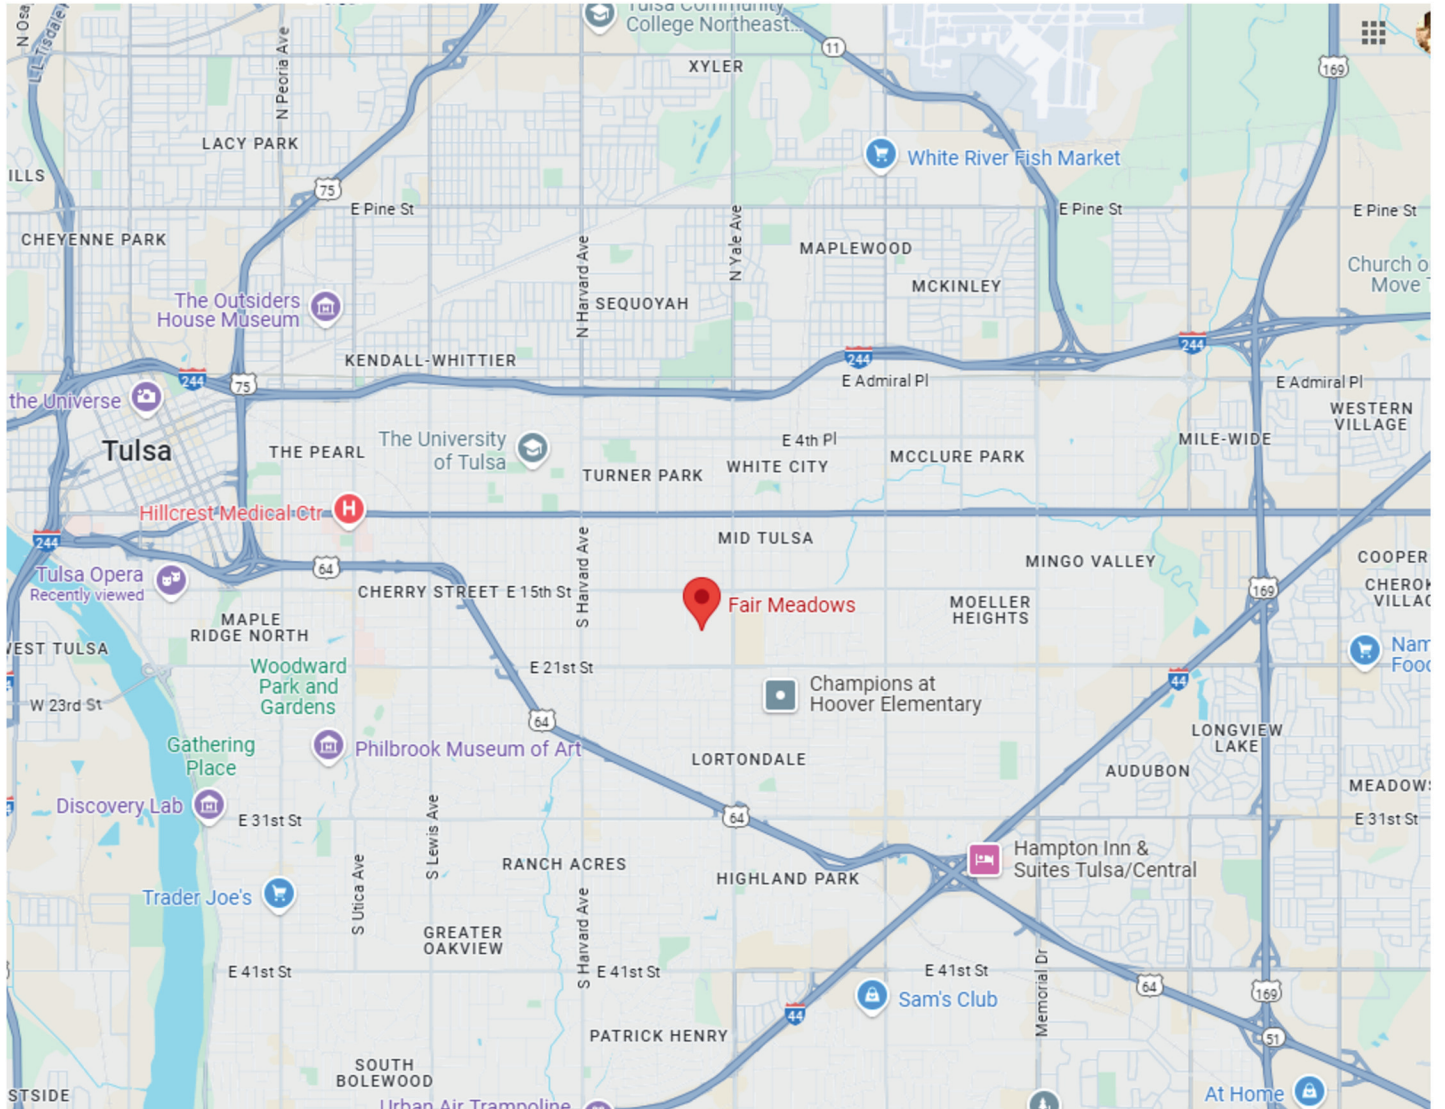

Exhibitors should follow their veterinarian’s recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

Claims will be arbitrated as set forth on the Official AKC Entry Form for this trial.
